

**(SENIORS
Emergency
CENTER)** In the nation's first Seniors Emergency Center, we move older patients gently, listen to them carefully, look at them closely, speak to them clearly. Because expert health care also includes dignity and respect. Learn more and get your free *Just In Case* Medical Information Card. Call 301-754-8800 or visit holycrosshealth.org.

The doctor will see her (as a person) now.
