Has your  
bathroom?

Older bathrooms and powder rooms just can't accommodate the needs of today's growing families, busy lifestyles and weekend guests. If it's time to update or enhance a bath in your home, give the Case Bath Specialists a call. We'll work with you to design a bath that meets your needs and budget for function and fashion. And, our unique process eliminates surprises in scheduling, materials and more. So baby yourself with a beautiful new bath. Call the Case Bath Division today.
